

ATS1115

16 Area Keypad, 2x16 char. LCD keypad, with build-in card reader

ATS1115

The ATS1115 is a modern ergonomic design and has a clearly readable text on a 2 x 16 characters LCD for displaying system programming, alarm and access control functions. The viewing angle of the display is adjustable via the keypad as well as the volume level of the build in buzzer. Four arrow keys will navigate the user easily through the programming and operational features and 6 additional functions key will complete this user-friendly interface. Four status LED's will continuously update the user on mains condition, faults, access control and alarms. The Arming Station can display the status of 16 areas using 16 LED's on the front, while the LCD shows details of alarms or a pre-programmed text.

The ATS1115 can be mounted at a distance of 1.5 km from an Advisor MASTER panel. The backlit screen and keys highlight the keypad for day and night use, even in places where lightning is poor the display has an excellent performance. The backlit functionality is programmable. In non-alarm situation the keypad can scroll a free programmable text. A LED flashes when an area is in alarm, is off when an area is disarmed and is constantly lit when an area is armed. The ATS1115 features a build-in smart card proximity reader, one open collector output for door control and one dedicated request to exit input.

Built-in card reader

The ATS1115 has a built in Hitag II card reader

Standard Features

- 2 x 16 characters LCD
- user adjustable buzzer
- user adjustable LCD contrast
- 16 Area indication
- door release indication
- build-in smart card proximity reader

ATS1115

16 Area Keypad, 2x16 char. LCD keypad, with build-in card reader

Specifications

Supply voltage	9-14 VDC Max
Current consumption	
Normal (all areas armed)	35 mA @ 13.8 VDC
Maximum	165 mA @ 13.8 VDC
Outputs	
Open collector	15 VDC Max @ 50 mA Max
Dimensions	
with cover (W x H x D)	92 x 165 x 25,4 mm
Operating teperature	0 to +50°C
Humidity	95% non condensing
Read range (cm)	6-10

Ordering Information

Part No.	Description
ATS1110	16 Area Keypad, 2x16 char. LCD keypad
ATS1111	16 Area Keypad, 4x16 char. LCD keypad
ATS1115	16 Area Keypad, 2x16 char. LCD keypad, with build-in card reader
ATS1116	16 Area Keypad, 4x16 char. LCD keypad, with build-in card reader
