

***SOB708***

*LON700 output board with 8 supervised outputs*

***Standard Features***

---

# SOB708

LON700 output board with 8 supervised outputs

## Specifications

<b>Number of outputs</b>	8
<b>Output type</b>	polarity reversal
<b>End of line resistor</b>	5.6 Kohm
<b>Output current per output</b>	500mA
<b>Total current for all outputs</b>	2A
<b>Open circuit</b>	>27 Kohm
<b>Normal</b>	1.2 - 18 Kohm
<b>Short circuit</b>	< 470 ohm

## Ordering Information

Part No.	Description
SOB708	LON700 output board with 8 supervised outputs
