

CVRW-AR

Wedge shape ceiling mnt housing IP54

The CVRW-AR is constructed of 2mm Zintec and has a high impact resistant Polycarbonate window, making it virtually impenetrable. When mounted to a solid surface this housing is capable of withstanding the most serious attempts of vandalism. Ceiling or wall mounted, this anti-vandal housing ideal for use in multi-story car parks, prisons, petrol stations and other high-risk applications. Fitted with a multi-position camera assembly and a drop-restraining lid, this housing is easily fitted and multiple knock-outs provide plenty of options for cable entry from different angles. A high security locking kit (SLK8) is available separately

Standard Features

- **Maximum vandal resistance**
- **Cables are unexposed**
- **IP54**
- **Lid restraining chain for ease of installation**
- **Multi-position camera mount**
- **Wall ceiling or canopy mount**
- **Ideal for use in car parks, train and petrol stations, prisons etc**
