

17" TFT Flatscreen CCTV monitor

LV-17ECO

The new LV-17ECO is the entry level professional LCD monitor from GE Security. It features a crisp, clear picture performance using a new high resolution (500 TVL) high contrast ratio panel.

LV-17ECO colour 17" LCD monitor is ideally suited to a wide range of applications, including most retail, industrial and commercial environments. Light in weight, compact and with low current consumption, the LCD monitor represents the future in surveillance requirements.

A range of different compatible wall/ceiling mounts and desk brackets are also available (contact your GE Security sales rep for info)
